Glimpses of Celebrations and Activities

Message From the side of Director

We warmly welcome you on admission to this college. There is a deep connection between education and personality development. Educated person develops the inherent abilities and powers to the students in the true sense, education is the creator of good values. The divine touch of education transforms what is lowly and subservient in a person into sublime essence and makes the common man a true gem's. The external structure of any educational institution is created by the teachers and students of that institution who invest their lives in it.

This college, while preserving the lasting values of education in its own way, is ready to inculcate the voice of knowledge and service to the nation in the immature souls of the new generation.

The traditions and records of this college have been exemplary in the field of education. It has added many dimensions to the personality of the students through academic and co-curricular's activities. High standard of studies and teaching, disciplined campus, teacher-student co-ordination and ideal of social service are the goals of this college. It is expected from you that you will help us in keeping the glorious traditions of this college intact by following your student religion properly.

May discipline, decency and unwavering devotion towards your objective be your main strength, may Vidya Dadati Vinayam always be your motto and may self-development and philanthropy become the lamp of your life and paved your way. With this hope we wish you a happy life and a happy future.

Dr. Prahlad Sharma (Advocate)

M. A., L.L.B., D.L.L., D.C.L.

Principal's Desk

Dear Students,

Your future will be very bright because you have been allotted this college. A team of professionally qualified and dedicated teacher educators is waiting to enhance your knowledge skill & career. You will find a favorable environment to study on enhance your skill. You are also lucky because you have chosen a valuable and reputed profession. “A teacher is a compass that activates the magnets of curiosity, knowledge and wisdom in the pupil.”

The success of any nation depends on the youth who further depends upon the quality of instruction. New age education is dominated today design, innovation, creativity, and Entrepreneurship. It is important to orient young minds in understanding innovative learning practices to capture the new elements of design, innovation creativity and entrepreneurship. Knowledge and its application is the only way, by which this can be achieved. The role of the teacher may have changed but the teacher remains a vital guide and leader in a student's education journey. No other profession is designed to have such a transformative effect upon the lives of individual in our society than teaching. We intend to keep working to help our current and future students to advance in their careers and achieve their goals.

Here at MGTTTC we try to produce the future teachers who find themselves well equipped meet the unprecedented challenge and advantages of the vast opportunities pleased by technological changes and globalization.

Best Wishes

Dr. Mohan Singh Principal, MGTT College

Mahwa Dausa (Raj)

Infrastructure of the College

Library

To keep an update with the latest happenings and to correlate it to history, merging it with technology the students need the resource of information. The Library of the Institute uses Open-Source Library Management Software -DELNET which also has Web Based Online Public Access catalogue (Web OPAC). Library has Membership of N-List for e-journals, e-books etc. The library at MGTTC maintains the record of the entire requirement to cater to the need of students. It has incorporated collections of prints, visuals, and creative resources which are systematically organized with different sources from India and abroad. The list of books is being upgraded as per the requirement from time to time.

Language Laboratory

MGTTC is well equipped with LANGUAGE LAB with the capacity of 25 students. LAB is a professionally engineered, comprehensive and user-friendly language learning software by ORELL, India. It offers the instructor an opportunity to not only teach efficiently but also monitor the progress of each student individually. For the learner, it offers an interactive learning experience as well as the opportunity to self-evaluate their progress.

ICT Laboratory

MGTTC ICT Lab is very well equipped with desktops, interconnected in a Local Area Network (LAN) with a central server system. The campus is Wi-Fi enabled. Unique login IDs have been issued to students and the faculty for access. It has a full-time system administrator. Students make effective use of ICT lab in planning of their lessons and nurture technical skills.

Science Laboratory

Science lab provides an opportunity to bring theory into practice. The laboratory is fully equipped with required equipment. Students get a first-hand learning experience by performing various experiments on their own. Students are made to use the models and understand different scientific theories and concepts.

Mathematics Resource Centre

Mathematics resource Centre acts like a concomitant between teacher and students and provides an opportunity to understand and discover the beauty, importance, and relevance of mathematics as a discipline. MGTTC has a well-equipped Mathematics resource center for its trainee teachers assisting them to become good mathematics teachers.

Social Science Resource Centre

The college possess well equipped and fully functional Social Science Resource Centre. Social studies resource center provides a quick and ready functional environment which not merely provides theoretical but also practical knowledge.

Curriculum Laboratory

Curriculum lays the foundation for comprehension of principles of education. To acquaint budding teachers with aspects of education and its application with the students, MGTTC provides for curriculum laboratory in the premises to understand the mind and behavior of the child in depth.

English and Hindi Resource Center

English and Hindi resource centers provide an aura to the students to practice and apply the knowledge and concepts learnt in the above subject. Students are made to prepare teaching aids and language games which are displayed in the resource center.

Commerce and Economics Resource Center

Commerce and Economics resource centers acts provides an environment to the students to practice and apply the knowledge and concepts learnt in the above subjects. Students are made to prepare teaching aids which are displayed in the resource center.

Seminar Hall

A panorama of events is planned and organized by MGTTC throughout the year and to cater to these events MGTTC has its own seminar hall with capacity to accommodate all students. Seminar hall is effectively used by students to make presentations and organize events to master upon management and organizational skills.

ACTIVITIES @ MGTTC

SPORTS@MG TTC

Overall physical development is essential for mental development of the students which would in turn enable them to come up with innovations and creations. MG TTC is dedicated towards providing amenities for overall growth of the students. The campus building is dedicated for playing fields and indoor sports area.

Canteen

The college canteen serves hygienic and good quality food with a wide variety of availability of snacks at a reasonable price.

Wi-Fi Campus

Internet has become a powerful tool. Moreover, wireless connectivity helps in overcoming the restrictions of seating capacity in computer labs and helps the students to stay updated with the happenings anywhere in the world. MG TTC has WIFI connectivity in all its classrooms & Labs.

Smart Board

Smart boards are installed in the college, this amazing technology not only enhances the way teachers. Teach, but it also enhances the way students learn. It provides students with an enriched learning experience by projecting visual elements. It also makes differentiated learning much easier because teachers can accommodate different learning styles.

NEW FACILITIES: HEALTH AND YOGA CENTRE, MAKEOVER STUDIO & BOUTIQUE

Events

Events for the students reflect that the institute's atmosphere, pupils, and teachers alike consider college events important in many ways. MGTTC also hosts events which break the routine and where pupils can meet Professionals from the field of education. At MGTTC, encouragement for students' participation is maximum for their multidimensional development. National and State level platforms are provided for different fields like National Seminars and Workshops, Sports, Essay-writing, Quiz Competition, Campaigns, Nuked-Natak, Skit/ Street Play, Creative Workshop Judgement, Drama and Art in Education. The events organized in 2021-22 are as follows.
